

DUKE NOSE VALLEY CROSSING AND RAPPPELLING EXPEDITION

220 feet Valley Crossing & 300 feet Rappelling

Amazing view from the top of the Cliff

Duke's Nose, also known as Nagphani, is a majestic cliff near Lonavala and Khandala, named for its shape resembling a cobra's hood. Standing about 2,000 ft above sea level, it's a hotspot for adventure enthusiasts. Apart from valley crossing, rappelling down the vertical rock face here offers an unforgettable thrill, paired with stunning panoramic views of the Sahyadris, Lonavala, and the lush green valleys below.

The trek to the top from Kurvande village is short yet scenic, and the experience at the summit—whether crossing the valley or descending the cliff—is a perfect blend of thrill, challenge, and breathtaking beauty.
